Do You Believe? *Strange Powers*, is a group exhibition that challenges visitors to explore the transformative power of art and examine their own spectrum of belief. Co-curators Laura Hoptman (The New Museum) and Peter Eley (Creative Time) present works by U.S. and international artists who are responding to the uneasy state of the world and actively incorporating the belief in the magical in their work.

Participating artists include: Pawel Althamer & Artur Zmijewski, James Lee Byars, Sophie Calle & Fabio Balducci, The Center for Tactical Magic, Peter Coffin, Jennifer Cohen, Anne Collier, Christian Cummings, Trisha Donnelly, Douglas Gordon, Brion Gysin, Friedrich Jürgenson (presented by Carl Michael von Hausswolff), Joachim Koester, Jim Lambie, Miranda Lichtenstein, Euan Macdonald, Jonathan Monk, Senga Nengudi, Paul Pfeiffer, Eva Rothschild, and Mungo Thomson
