CREATIVE TIME'S 2013 FALL BALL DELIVERED "DANCE-ART MARATHON"

Public art organization's annual fundraiser drew hundreds of attendees

*Party featured art, live music and performances, signature cocktails,
colorful installations, mimes, and much more*

November 13, 2013 – New York, NY – Last night, Creative Time yet again brought together the worlds of art, fashion, nightlife and design at its sold-out annual fall fundraiser, which took place at **Output** in Williamsburg, Brooklyn. This year's party—hosted by Creative Time Board member **Jon Neidich**, the Creative Time Ambassadors, **Claude Morais** and **Brian Wolk** of Ruffian, and a select host committee—celebrated the vibrant diversity of the New York art world and, in true Creative Time style, was as innovative and surprising as the public art projects that the organization regularly produces. The Fall Ball was sponsored by Absolut Vodka and Prismacolor, with music sponsored by Helmut Lang and "mystery cocktails" designed by The Elm.

The event featured an interactive "Williamsburg Toile" installation by **Ruffian** and **John Gordon Gault**, for which guests were invited to use a variety of Prismacolor markers to draw on the Brooklyn scenes represented on the wallpaper. Artist **Alex Da Corte** created a profusion of brightly-colored roses dipped in rubber, which decorated the main stage and were handed out to guests by mimes near the end of the evening. **Eske Kath** created a large-scale installation around the DJ booth that suggested jungle-like scenes made of large painted wooden leaves and flowers. **Andrea Mary Marshall's** mixed-media series *Self-Portraits As Vanitas* lined the walls of the venue, and **André Saraiva's** limited-edition "Dream Poster" prints were ubiquitous throughout the space and wheat-pasted on the streets of Williamsburg and downtown Manhattan. DJs **JD Samson**, **Tiki Disco**, and **Jeffrey Tonnesen** got the audience rocking out, and performers **The Dolls**—featuring DJ **Mia Moretti** and singer/violinist **Caitlin Moe (aka 'Margot')** with a string quartet—had guests jumping to their feet to dance the night away in the completely packed venue until well past 1:00AM.

Notable guests included: **Eric Adolfsen, Faris Al-Shathir, Peggy Bader, Nicky Balestrieri, Donnamarie Baptiste, Tim Barber, Athena Calderone, Scott Campbell, Joanne Leonhardt Cassullo, Jeremy Deller, Stacy Engman, Sebastian Errazuriz, Jesse Finkelstein, Yara Flinn, Kate Foley, John Forte, Rhys Gaetano, Isca Greenfield-Sanders and Sebastian Blanck, Subodh Gupta, Alana Heiss, Sabine Heller, Jean-Marc Houmard, Anne Huntington, Stephanie Ingrassia, Genevieve Jones, Poppy King, May Kwok, Whitney Larkin, Colleen Leth, Chelsea Leyland, Patrick Li, Lucy McIntyre, Bob Morris, Jon Neidich (host committee chair), Casey Neistat, Michael Nevin, Tomoko Ogura, Larry Ossei-Mensah, Max Osterweis, Trevor Paglen, Caroline Polachek, Alban de Pury, Duke Riley, Whitney Robinson, Chris Salgado, Julio Santo Domingo, André Saraiva, Louis Schwadron, Matt Spangler, Robert Stilin, Kristin Studeman, Luigi Tadini, Manish Vora, Timo Weiland, and Dustin Yellin, among many others.**
