To-Do: UCB, Bravo Silva, or Strange Powers

- The UCB kids take to the Great Outdoors with a free spazzfest at Central Park Summerstage. Don't knock it 'til you've paid for it. [Upcoming]
- Bravo Silva plays with a band that has a guy from Broken Social Scene. Next week: six degrees of Neutral Milk Hotel. [Paper]
- Strange Powers features art inspired by the eerie, other-worldly side. You know, like your roommate's closet. [flavorpill]
